7/8/01 A later letter embodying revised proposals is submitted. The Inspector General asks for 9 superintendents, one for each charge (including French Rocks + excluding Gold fields) — one on 500 Rs + 2 on 450 Rs + 3 on 350 + 3 on 300 Rs.

The Existing Scale is shown in this Note.

In this Connection, I would suggest the Consideration of the question whether it would not on the whole be better ~~to arrange the Grades of Pay in case officers~~ to adopt the system of giving promotions by length of approved service as in the case of Extra Asstt Commrs — instead of ~~by~~ fixing the scale by Grades.

In reply he states as follows:—

Present Scale:—

2 Superintendents on Rs 450

3 —do— " 350

3 Asstt Supdts —— " 300

3 —do— " 250

at one for each of the 8 districts, 1 for Trench Rocks, 1 for Railway + 1 for the Inspector General's Office (in the place of the late Asst I.G.)

The last two are not wanted.

Proposed scale:—

1 Senior Supdt on Rs 500.

2 Supdts — on " 400. (The Insp. Genl proposed Rs 450 in his first letter, but it is reported to be a mistake)

3 —do— " 350.

3 —do— " 300.

If the above is sanctioned, Mr Handuri who gets Rs 450 will get Rs 500; Messrs G. Krishna Rao + Hamza Hussain who

will get Rs 400 - Messrs L. Krishna Rao, Nagar Subba Rao & Mahomed Jaffar who are in receipt of Rs 300 will get Rs 350 each, and Messrs C. Narayan Rao, Zahiruddin Meccai and V. V. Krishnamurti who get Rs 250 each, will get Rs 300 each.

The Inspector General further adds that Rs 250 is much too small for a District Police officer and that the Dist: Police officers at present all deserve promotion and that they have been left far behind like most of their compeers - other Departments have gone far in advance of them.

Drafted

SW 28/8/02

The present Inspector of Police was written to accordingly. In reply, he states that the existing scale of pay fixed so far back as 1891 has not rendered the service attractive enough to induce men in other Departments possessing special aptitude and tact to join the Police Department, while the officers now in it are placed at a disadvantage in point of pay when compared with the Extra Asstt Commissioners and

Letter No: 1020/83 of 11-9-02.

nd therefore suggests that they
ay be placed on the same footing
o Extra Assistant Commissioners
th in point of pay and promotion,
such an arrangement will ad-
nit of a free interchange of offices
tween the Revenue and Police
partments and vice versâ. He
ishes to do away with the grade
Assistant Superintendents and
have only Superintendents
tarting with Rs 250 rising to
o 450 by triennial increments
? Rs 50, as classified below: —

Superintendents, 1st class . . . on Rs 450
—do—, 2nd class —— " 350
—do—, 3rd class —— " 300
—do—, 4th class —— " 250

- 2 Probationers on Rs 100 rising to
Rs 200 by annual increments of Rs 50 each accruing
rom the date of their passing the requisite
examination.

further proposes that the following increments be made in accordance with above Scale :—

Supdt of Police, 1st class, on Rs 450

1. Mr C. Handu
2. " G. Krishna Rao } These two officers now get Rs 350
3. " Mir Hamza Hussain }

Supdt of Police, 2nd class, on Rs 350.

1. Mr L. Krishna Rao } These three draw Rs 300.
2. " N. Subba Rao }
3. " Mahomed Jaffer }

Supdt of Police, 3rd class on Rs 300.

1. Mr C. Narain Rao - draws at present Rs 250.

Supdt of Police, 4th class on Rs 250

1. Mr Zahiruddin Meccai } draw Rs 200 + 50 long allowance
2. " Y. V. Krishnamurthi }
3. Vacant

Probationers.

1. Mr Basavaraj Urs
2. " Ali Khan.

Thus it may be seen that the above proposal

make provision for increase of pay to all offices except Messrs C. Handin, Zahirudin Meccai + y.V. Krishnamurti. The latter two officers' promotion will, the I.G. says, follow their confirmation. But as regards Mr C. Handin, who has been getting Rs 450 since June 1896 and who has had no promotion since then, the Inspector General suggests that a special grade similar to that of Senior Assistant Commissioners be created with a maximum salary of Rs 550 to be reached by two increments of Rs50 each after 4 years' service, that this may be treated as a special grade to which only officers of long-standing and approved service are to be appointed, and that Mr Handin be promoted to that grade under the designation "Senior Supdt of Police" on Rs 500 with retrospective effect from July 1902 as he has completed 4 years since he was confirmed in the 1st Class."

OFFICE OF THE DEWAN OF MYSORE.

Record of Cases Coming before the Counc.. of H. H. the Maharaja.

Subject—(Clause V of Schedule.)

Promotions among Superintendents and Assistant Superintendents of Police.

Secretary's Note.

Mr. C. Haudin, Superintendent of Police, was drawing an allowance of Rs.30/-30, while he was in charge of the Gold Fields Police. On the appointment of a Special Superintendent for the Fields, he was transferred to the Bangalore District, where he was drawing as District Plague officer, a plague allowance of Rs.50/- till the end of June 1901, when the same was discontinued. He thereupon represented that he might be shown the same indulgence which the Government was pleased to show Mr. Hume Wright by granting him the allowance he drew at the Gold Fields, that he did not press the matter earlier as he was getting a plague allowance of Rs.50, which in a measure compensated him for the loss he had sustained by his transfer to Bangalore. The Officiating Inspector General, Mr. B.K. Venkata-varadaiengar, in submitting Mr. Haudin's representation for the favourable consideration of Government, recommended certain changes in the pay and the scale of Superintendents and Assistant Superintendents of Police. These proposals were

remitted to the present Inspector General of Police, Mr. Madiah, for opinion. The latter in reply states that the existing scale of pay fixed so far back as 1891 has not rendered the service attractive enough to induce men in other Departments possessing special aptitude and tact to join the Police Department, while the Officers now in it are placed at a disadvantage in point of pay when compared with the Extra Assistant Commissioners, and therefore suggests that they may be placed on the same footing as Extra Assistant Commissioners both in point of pay and promotion, as such an arrangement will admit of a free interchange of officers between the Revenue and Police Departments and vice versa. He wishes to do away with the grade of Assistant Superintendents and to have only Superintendents, starting with Rs.250 rising to Rs.450 by triennial increments of Rs.50/-, as classified below:-

Superintendents, 1st class on Rs.450,
--- do --- 2nd class on Rs.350,
--- do --- 3rd class on Rs.300,
--- do --- 4th class on Rs.250,

and 2 Probationers on Rs.100 rising to Rs.200 by annual increments of Rs.50 each accruing from the date of their passing the requisite examination.

He further proposes that the following appointments be made in accordance with the above scale:-

Superintendent of Police, 1st class, on Rs.450.

1. Mr. C. Haudin
2. ,, G. Krishna Rao.) (These two Officers
3. ,, Mir Humza Hussain) now get Rs.350.

Superintendent of Police, 2nd class, on Rs.350.

1.Mr.L. Krishna Rao)
2.,,N. Subba Rao (These three draw Rs.300.
3.,, Mahomed Jaffer)

Superintendent of Police, 3rd class, on Rs 300.

1. Mr. C. Narain Rao—draws at present Rs250.

Superintendent of Police, 4th class, on Rs 250.

1.Mr Zahiruddin Meccai } draw Rs 200+50
2." Y.V. Krishnamurthi } (acting allowance)
3. Vacant

Probationers.

1. Mr. Basavaraj Ars
J.S.
2. " Ali Khan.

Thus it may be seen that the above proposal makes provision for increase of pay to all officers except Messrs. C. Haudin, Zahiruddin Meccai and Y.V. Krishnamurthi. The latter two officers' promotion will, the I.G. says, follow their confirmation. But as regards Mr. C. Haudin, who has been getting Rs 450 since June 1896, and who has had no promotion since then, the Inspector General suggests that a special grade similar to that of Senior Assistant Commissioners be created with a maximum salary of Rs 550 to be reached by two increments of Rs 50 each after 4 years' service, that this may be treated as a special grade to which only officers of long standing and approved service are to be appointed and that Mr. Haudin be promoted to that grade under the designation "Senior Superintendent of Police" on Rs 500 with retrospective effect from July 1902, as he has completed 4 years since he was confirmed in the 1st class.

A statement shewing the existing vacancies and the promotions due to the officers in the usual course is appended.

No necessity has been shown for altering the Grades adopted in 1891 after much consideration. I would not object to any special allowance being sanctioned for Mr Handley & Compensate him for loss he may have sustained by transfer from the Kolar Gold Field. I do not see why his individual grievance should be made the occasion for radical changes in the Grades. The question of interchange has been incidentally raised is one for consideration in connection with the any Scheme for a General change in the system I recommend

Sir,

I beg to state that when Mr. Hamilton was the Police Superintendent of the Kolar Gold Fields he was drawing Rs 450/- pay as first class Superintendent and Rs 60/- as local allowance. It seems that, when on his transfer thence to the Bangalore District he represented to the Honorable the British Resident Col. Robertson (in the presence of the then Inspector General of Police Mr. Rangasami Iyengar and the Deputy Commissioner

Commissioner of Kolar, Mr. Carr) that the measure would entail the loss of the local allowance of Rs 60/., that officer was pleased to say that he would not lose by the transfer and was kind enough to ask Mr. Rangasami Iyengar to see that Mr. Kaudini was not put to any loss by the measures then adopted. As, however, Mr. Kaudini got, on joining the Bangalore District, the plague allowance of Rs 50/. as the district plague officer, he did not, it seems, press the loss of Rs 60/. which his transfer occasioned. It would appear that recently the plague allowance was stopped from the 1st July 1901 owing to the disappearance of plague. He, therefore, now urges for consideration the loss of Rs 60/. occasioned to him by his transfer from the Kolar Gold Fields on the ground that Mr. Hume Wright who was

was also transferred from that Station has been compensated for the loss that resulted to him by the measure. I beg to submit herewith, a copy of his letter (no. 37 of the 13th july 1901). The grounds on which he advanced his claim seem to be sound. I, therefore, venture to recommend his prayer for favorable consideration./.

As a grade called "Senior Assistant Commissioner" exists among the Assistant Commissioners, on Rs 500/., so also a Senior Police Superintendent on Rs 500/. may be sanctioned, and as Mr. Kaudin is the first of all the Superintendents, he may be promoted to it with effect from the 1st july 1901.

2. I see in the Civil list that there are 11 Police Officers (Superintendents and Assistant

Assistant Superintendents) – viz one for each of the 8 districts, one for the French Rocks, one for the Kolar Gold Fields and one for the Head Office (of the Inspector General) – that is, 2 in the first class of Superintendents on Rs 450/-, 3 in the second class on Rs 350/-, 3 in the first class of Assistant Superintendents on Rs 300/- and 3 in the second class on Rs 250/-. I do not think that one for the Head Office is needed .. So a senior Superintendent on Rs 500/-, 1 in the first class on Rs 450/-, 2 in the second on Rs 350/-, 3 in the 1st class of Assistant Superintendents on Rs 300/- and 3 in the 2nd class on Rs 250/- will do, and this means a saving of Rs 300/- a month.

Sir,

I have the honor to bring to your notice that Government has been pleased to direct in Proceedings No. 28-90 L. J. (P) 50-51 dated 8th July 1901, the discontinuance, from the 1st of this month, of allowance of Rs 50/- hitherto drawn by me as District Plague Officer.

When I was in charge of the Gold Fields Police, I drew an allowance of Rs 60/- per mensem besides being provided by the Managers

Managers of the several companies on the Fields with a furnished residence free of rent, which was equivalent to another Rs 40/- at least per month, so that by my transfer from the Fields - which I respectfully submit, was not of my seeking or for any fault of mine - I sustained a loss of Rs. 100/- a month - a sum which I can ill-afford to lose. When the Honorable the British Resident, Colonel Robertson visited the Fields just a few days prior to my transfer and thanked me for the good work I had done there and I mentioned to him the loss I would sustain on being transferred - he told me he had not been made aware of it; that I should not however lose by the transfer and was pleased to tell

tell Mr. N. Rangasamiengar, the then Inspector General of Police who was present, to see that I did not suffer pecuniarily by the new arrangements. Mr. Carr, the Deputy Commissioner was also present on the occasion.

I did not trouble you with this subject before cause on my being posted to Bangalore drew the Plague allowance of Rs 50/- which a measure compensated me for the loss had sustained; but now that this allowance has been discontinued, I feel constrained to urge the matter on your attention view to the Government being moved to pleased to grant me the same indulgence it has shown Mr. Hume Wright. My case, respectfully submit is analogous to his. Like me, was transferred from the Fields

(8)

Government in his case has been pleased to continue to him all the allowances he drew there viz: Rs 100/- personal allowance + 100 local* allowance + 30 Horse allowance. I, therefore, venture to respectfully solicit that the same concession may be kindly granted me and that I be permitted to draw the allowance of Rs 60/- I drew when on the Gold Fields.

* Vide Hume Wright did not draw any local allowance in the Gold Fields; but had a free Govt. house. To compensate for it, he was given a house rent of 100 Rs on his transfer to Bangalore (init) B.K.V. Offg. S.P. of Police 16/7/1901.

SIR,

On my letter No. 350/23 of the 16th July 1901, I proposed that out of the 10 Police officers wanted at the rate of one to each of the 8 Districts, one for the French Rocks and one for the Kolar Gold Fields, there might be one Senior Superintendent on Rs 500/, one first class Superintendent on Rs 450/, 2 Second Class Superintendents on Rs. 350/, 3 first class

class Assistant Superintendents on Rs 300/ and 3 Second class Assistant Superintendents on Rs 250/. But I see that the Superintendent of the Kolar Gold Fields is of a special grade. So, excluding him we only want 9 officers and they may be distributed as follows:— One Senior Superintendent on Rs 500/, one first class Superintendent on Rs 450/ (instead of 2 first class Superintendents on Rs 415/), three Second class Superintendents on Rs 350/ (as at present), two first class Assistant Superintendents on Rs 300/ and two Second class Assistant Superintendents on Rs 250/ (instead of 3 in each of these grades as at present)

resent). This means a saving of
Rs 500/ which go to cover the pay
of the Special grade Superin-
tendent of the Kolar Gold Fields.

SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

Sir,

I beg leave to invite reference my letters submitting proposals for the revision of the scale of pay of the higher police officers in the Province. — It is needless for me to state that the police service is an exacting one and that further it entails additional expenditure as the officers have to be well mounted and well dressed in uniforms. — Notwithstanding all this they are not even as well remunerated as their compeers in other departments. For instance, the case of the Assistant Commissioners may be quoted. Both the regular & the Extra Asst. Commissioners are encouraged by periodical increments

increments, while the police officers have to wait till vacancies occur although they are, by the arduous nature of their duty, exposed to considerable inconvenience, risk &c:— Some of them have been without any promotion for a number of years although their comrades in other departments have been receiving rewards periodically and even gone over them in point of pay &c:— This state of things is not calculated to induce the police officers to remain in the department, and it is needless to say that for efficient, satisfactory and successful results no change should be permitted. I cannot do better than quote a previous Inspector General of vast experience and considerable standing whose opinions are (I humbly think) entitled to much weight. He says:— "The difficult and onerous character of the work is well known. The Public Works, the Survey, the Forest and even the Revenue and Judicial departments have comparatively light work, involving

involving less anxiety, less temptation, and less responsibility, considerations which ought in some respects to influence the amount of remuneration. Of all departments of Government, that which presents the greatest difficulties, risks and temptations is the Police Department. A Police Officer has to ferret out evidence, appreciate its value and learn how to properly unfold it before the Judge or Magistrate. He must be well versed in human motives and character, observant and yet reticent and still when he has done his best and really called into play much skill and judgment, he must be prepared at times to see his cases collapse from various causes. Further the Police Officer must be ready in resource and quick in action; failure of such at times, especially if leading to disastrous results, often means disgrace if not ruin—

[illegible] and with

tangible rewards, but which are not available at present. In cholera and Small pox & epidemics and the like, the services of Police Officers are much in request, and I can say unhesitatingly that as a rule on such occasions, they cheerfully and readily come to the front. The Police Assistant Commissioner, moreover, has to make large sacrifices of personal comforts.— He is liable to be called out at any moment and at all hours, and required to undertake long journeys upon the shortest notice. The question, however, is not only one of fair pay, but of the retention of trained hands in the same line where they first gained their experience."— Such is the opinion of an officer who worked in various departments.—

2. I fain hope that I have made out a strong case. If so I earnestly solicit the early consideration of my proposal. The said officer proposed 11 officers in 4 grades of Rs 550, Rs 450, Rs 350 and Rs 300 and a probationary grade of

of Rs 600 rising to Rs 1200. – But I submit a more moderate scale. – We now want only 7 Superintendents (1 for each of the 8 Districts and 1 for French Rocks). The above number I included an officer for the Inspector General's office and another for the railway police: but they are not required now. Four are probationers required, as it is desirable to raise the deserving Inspectors to the graded service as an incentive to good and honest work. – One on Rs 500, two on Rs 450, three on 350 and three on Rs 300 will not, I hope, be considered extravagant. – Less than Rs 300 for a District Police officer will not, I think, be efficient. –

The Superintendent of the Kolar Gold Fields not included in the above, as his is a Special Grade. –

In the interest of the department I indeed urge early orders on this reference. –

I have the honor to be,
Sir,
Your most obedient Servant

Sir,

In reply to Assistant Secretary Mr:Chendrasekhara yer's letter of the 29th July 1902 enquiring how, if the proposals made in my letter No: 200 of the 13th December 1901 to revise the scale of pay of the higher Police Officers were sanctioned, they would affect the existing Officers, I beg to submit as follows:-

1. There are now

2 Superintendents on --₹450/-

3 ---DO----------"250/-

} At one for each of the 8 Districts, 1 for French Rocks, 1 for Railway and 1 for the Inspector General's Office. The last two are not wanted now.

2. I have proposed

1 Superintendent on --₹ 500/-
2 Superintendents on -" 400/- (450/- ₹ appears in my letter No: 200 of the 13th December 1901, but it is a mistake.)
3 -----DO----------"350/-
3 -----DO----------"300/-.

3. If this be sanctioned, Mr Haudin who gets now 450/-₹ will get 500/-₹, Messrs G.Krishna Rao and Hamza Hussen, who get now 350/-₹ each, will get 400/- each; Messrs L.Krishna Rao, Nagger Subba Rao and Mahamed Jaffer, who get now 300/-₹ each, will get 350/- each, and Messrs C.Narain Rao, Maccai and Y.V.Krishnamurty,

who get now 250/-₹ each will get 300/-₹ each.

5. I may venture to submit that they all deserve promotion, and in fact they have been left far behind while most of their compeers in other Departments have gone far in advance of them, although they have had hard work to do. ₹ 250/- is much too small for a District Police Officer.

Secretary to the Government of Mysore

in the General and Revenue Departments.

Sir,

With reference to your letter no: 2966 / J274 of the 30th ultimo calling for my opinion regarding the proposals submitted by the Officiating Inspector General of Police in regard to the revision of the grade of the Police Superintendents and Assistant Superintendents, I have the honor to state that the existing scale of pay fixed so far back as I89I has not rendered the service attractive enough to induce men in the other Departments possessing special aptitude and tact to join the Police Department; while the officers now in it are placed at a disadvantage in point of pay when compared with the Extra Assistant Commissioners whose grade was constituted subsequently.

That the Police Officers are exposed to much risk and temptation cannot be denied, nor is their work to keep down

down crime, to detect cases, and to prosecute the accused successfully, less onerous. It is a well known fact that no sooner an officer joins the Department, than he intends, nay, attempts to leave it for the Revenue line. Whether such an evil- it cannot be anything else - should exist in this important branch of the public service I leave it to Government to consider. If the desire to leave the Department is attributable to the responsible and arduous nature of the work and to the insufficiency of pay, it behoves Government to remove the anamoly, as early as posible, in order to insure efficient administration.

With the above preliminary remarks, I beg to state that according to the Government order of 1891 an Assistant Superintendent of Police starts with Rs 250/. rising to the I st class on Rs 300/ and a Superintendent with Rs 350/ rising to Rs 450/ as vacancies occur. The number of officers requird for the Department is 10 as shewn in the margin, exclusive of the Special Superintendent for the Gold Fields and the two Probationers. Considering this limited number it is easy to imagine how slow promotion is from one grade or class to the next higher and a reference to the civil list will prove that their claims to preferment have received no consideration

1for Head Quarter Offi
8 for the 8 Districts
1 for French Rocks Sub Division

at the hands of Government; as indicated below. Mr Haudin who heads the list of Superintendents has been in receipt of his present pay ever since he was promoted to the I st class sub pro tem, in 1896, and similarly most of the other officers (Superintendents and Assistant Superintendents) for more than 4 years. If they were not separately graded but allowed to remain among the Extra Assistant Commissioner they would have earned their triennial increments as the latter. It must be remembered that some of these officers were drafted from among the Extra Assistant Commissioners and the change of Department has placed them in a worse position than they would otherwise have occupied.

Irrespective of other considerations, equity and justice require that the present unsatisfactory state of things should not be permitted to exist any longer without improving the pay and status of this class of hard working officers.

It may not be out of place to mention here that in Madras a Superintendent of the 5th class begins with Rs 600/ rising to I st class on Rs 1000/ and an Assistant Superintendent of the 5th class on Rs 300/ rising to I st class on Rs 500/ . Being aware that any recommendations to grade our officers on the above liberal lines would not be received with favour by the Government I cannot but strongly deprecate any proposal to place them on a lower scale

scale of pay than the Extra Assistant Commissioners have stated already that promotion to Superintendents and Assistant Superintendents can only be earned by vacancies and how remote such chances are can be judged from the small number of officers; whereas, increments to the Extra Assistant Commissioners are granted by efflux of time. To illustrate my statement, I may cite the following instances. Messrs. Krishna Rao and Mir Humza Hussain were promoted to the 2nd class on Rs 350/ in 1898 and they still continue to draw the same salary, whereas Mr Ahamed Aly, their junior, has now risen to the 2nd class on Rs 400/ as Extra Assistant Commissioner. And again, Messrs L. Krishna Rao, Nagar Subbarao and Mahomed Jaffer whose promotion to the 1st class of Assistant Superintendents is dated July 1898, still receive Rs 300/ while Messrs Chengiri Krishna Rao, Mir Nizamudeen, P. Sreenivasa Rao, C. Seshadri Iyengar and A. Nanda Rao have gone over their heads and draw Rs 350/.

It is needless for me to dilate on the subject in detail while the cases above stated prove that the Police Officers have a real grievance. To remedy it I beg to propose that they may be placed on the same footing as Extra Assistant Commissioners both in point of pay and promotion, as such an arrangement will admit of a free interchange of Police Departments, and vice versa

vice versa . I would do away with the grade of Assistant Superintendents and have only Superintendents starting with Rs 25o/ rising to Rs 45o/ by triennial increments of Rs 5o/. They may be clasified as shown below:-

Superintendents I st class ---------- on Rs 45o/
-------do------ 2 nd class ----------on Rs 35o/
---------do------ 3. rd class ---------- on Rs 3oo/
---------do------ 4 th class ---------- on Rs 25o/

and two Probationers on Rs I00/ rising to Rs 200/ by annual increments of Rs 50/ each accruing from the date of their passing the requsite examinations.

The following appointements may be made accord) the scale above proposed:-

Superintendent of Police I st class on Rs 450/
I.Mr C. Haudin
2." G. Krishna Rao
3." Mir Humza Hussain

----------do---------- 2 nd class on Rs 350/
I.Mr L Krishna Rao
2." Nagar Subba Rao
3." Mahomed Jaffer

----------do---------- 3 rd class on Rs 3oo/
I.Mr C.Narain Rao

----------do---------- 4 th class on Rs 25o/
I.Mr Zahiruddin Meccai
2." Y.V.Krishna Murti
3. Vacant

ıtioners on Rs I00/ by an annual increment of Rs 5o

I. Mr Basavaraj Urs

2. " Ali Khan

Mr P.B. Thomas will be the Special Superintendent of Police Kolar Gold Fields on Rs 700 + I00

In the above proposal provision has been made to increase the pay of all the officers except Messrs C.Haudin, Zahiruddin Meccai and Y.V.Krishna Murti. The latter two officers' promotion will as a matter of course follow their confirmation; but the case of the first named is quite different; he is the senior officer in the Department and has worked his way up from a subordinate position by his zeal and his intelligence.

He was appointed to the I st class on Rs 450/ as above stated, in June.I896, and was confirmed in it in July I898. He has been thus without any promotion for more than 6 years. His efficient and diligent work in the Department has been, I believe, repeatedly brought to the favourable notice of the Government and quite recently I have had to perform a similar pleasing duty in reporti as intimated by the Deputy Commissioner of Bangalore, that the arrangement made by this officer was appreciated by His Excellency the Viceroy during His Excellency's recent visit to the Province, and that he deserved the thanks of the Government. The services of such an office

should

should not, in my humble opinion, go unrewarded. I would beg therefore to suggest that a special grade similar t that of Senior Assistant Commissioners be created with th maximum salary of only Rs 550/ to be reached by two increments of Rs 50/ each after 4years service. This may be treated as a special grade to which only officers of long-standing and approved service are to be appointed.

Mr C.Haudin's services, in my opinion, deserve recogniti at the hands of the Goverinment, and he may at once be given the first increment of Rs 50/ with retrospective effect from July last as he has completed 4 years since he was confirmed in the I st class, and may be designated as Senior Superintendent of Police.

I have the honor to be ,
